

"We certainly enjoyed your show... wholesome family entertainment for the young and not so young..."

Thank you for your interest in the Magic of Joe Lyons. Joe has been entertaining family audiences since 1987. His show is self-contained, 20, 30 or 45 minutes of fun, laughter, and bright colorful magic all combined with a toe tapping musical background. Joe's unique way of drawing audiences, young-older-and in between, into the stories he shares carries them through his experiences growing up on grand dad's dairy farm near Delaware, Ohio and uses magical happenings to illustrate throughout.

"Our magician was totally awesome!"
